

Easy to carry... easy to use.

PrintekMobile FieldPro printers are great for when workers need to stay focused on their job, not their printers. That's why the FieldPro is engineered to create crisp, professional-looking citations, field service, and field sales documents automatically and reliably. One look will convince you — FieldPro takes mobility and ease of use to a whole new level.

FieldPro Series

FieldPro is the most compact, lightweight, and affordable 4" mobile printer ever.

It's the first advanced printer designed specifically for Mobile Sales, Field Service, and Public Safety — perfect for all 3" or 4" receipt, work order, or ticket printing needs. FieldPro printers are available in cabled, Bluetooth®, and Wi-Fi versions.

Downsized dimensions, upscaled productivity.

FieldPro printers are up to 10% smaller and 40% lighter than competitive models. Even so, this rugged printer is packed with advanced features to help your mobile workforce become more productive.

- Easy-to-read control face and simple drop-in paper loading
- IP54 rated for water and dust resistance... plus rated for repeated 4-foot drops to concrete
- MCR option allows automated capture of credit card/license information in the field
- High-speed signature printing and extensive font and graphic capabilities
- Printer integration is quick and easy with popular printer emulations
- Exclusive Universal Port makes cabled applications and add-on peripheral devices a snap

Leadership that leads the way.

FieldPro Series

Compact, Lightweight, Affordable.

The compact FieldPro direct thermal printer features a rugged design and has an uncommon reserve of battery life for exceptional productivity.

FieldPro helps your service staff make customers happy.

Your service personnel are the face of your company in the field. With FieldPro, contacts with customers are more satisfying and service more efficient. A FieldPro can print up-to-date work records, receipts, invoices, and more right at the customer's location. Equip FieldPro with an optional magnetic card reader (MCR) and workers can take credit card payments. FieldPro's exclusive Universal Port allows the option of adding peripherals like bar code scanners and signature capture pads — without the cost and maintenance of additional batteries and wireless radios. And all this is compatible with the mobile host of your choice — from fully ruggedized handhelds, laptops, and tablet computers to data-enabled phones.

Mobile sales equal more sales.

FieldPro printers are perfect for route sales, concession sales, venue sales — or any place that business takes you. Our enhanced Bluetooth® security system helps guard credit card information. Use PrintekMobile's EASI Promo™ system to boost sales with automatically printed coupons, timely promotions, and other messages — no programming skills required.

Moving violations: Keep things moving.

FieldPro helps keep officers more productive by automating citation issuance and reducing time spent per stop. Citations are accurate, readable — and fast. They can even include important features like officer signatures. And, FieldPro's compact size makes it ideal when space is at a premium, such as in crowded police cruisers or on motorcycles.

Parking tickets: Increase revenue.

The lightweight, portable design of FieldPro makes for daylong convenience and high productivity for each officer. Revenues jump too, because each citation is clear and legible for reduced challenges and increased compliance.

Amusements and gaming: You win.

Eliminate lines and hassle for your customers — gain more sales. Mobile workers can print attractive and authentic tickets and receipts with FieldPro, plus run credit card transactions on the spot. What's more, FieldPro offers bar code support and graphics capabilities to make things more professional and efficient.
